# Announcements

Please join us on Wednesday, March 29th from 3:30 to 5:30pm in the school cafeteria for our Spring Parent/Teacher Conferences. No appointments needed. We hope to see you there.

After School tutoring is still available. Students need to bring the work they need help with. Please see the Main office for more information. Students will need their own transportation home.

### Parent School Quality Survey

Your feedback on our school is important to us. Please take a few moments to complete the School Quality Survey (SQS). The SQS was distributed to period 1 students on January 9th. The SQS measures your perceptions of the safety and well-being of your child and your satisfaction and involvement/engagement with your child's school. Your responses will be kept confidential in order to gather candid information and will be used by schools for continuous improvement purposes. As a parent/guardian, this is an opportunity for your voice to be heard.

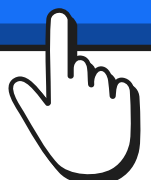

One parent/guardian may complete one survey for each Grade K-12 student. Because different students may have different experiences in a school, parents/guardians should complete a survey for each child in each school.

Access to the survey link or the QR code can be found on the attached parent letter.

If you do not have internet access to complete the survey, you may pick up a paper survey (one for each child in grade K-12) from the KHS Main Office. Or you may stop by the KHS Library, we have set aside computers to complete your survey.

Federal Impact Survey  
Please complete and return to the school. If you need another survey, you may stop by the KHS Main office and pick on up.

SUBJECT: **EXPRESS** County Bus Pass Pilot Program Updates

The Office of Facilities and Operations, Student Transportation Services Branch (STSB) would like to provide some updates to the Expanding Ridership to Educate Students in Schools (EXPRESS) pilot program that launched in October 2022.

**Pilot Program Application Period**

The Hawaii State Department of Education (HIDOE) high school students statewide with an active 10-digit HIDOE ID number can sign up for a city or county bus pass at no cost for the second (2<sup>nd</sup>) semester of the 2022-23 school year. Families can apply at <https://iportal.k12.hi.us/express/>. **The new application deadline is March 20, 2023.**

**Replacement Passes**

There is a \$5 fee for replacement county passes. These replacement fees shall be applied to your school's activity fund.

Due to the increasingly high volume of lost pass requests, STSB will only accept replacement requests **until May 1, 2023**. This is to ensure students will receive their replacement cards before the end of the school year.

For any questions, please email [stsb@k12.hi.us](mailto:stsb@k12.hi.us) or call the main office at (808) 784-6850.

February 10, 2023

Dear Parent/Legal Guardian,

During the 2022-2023 school year, all students in grades 3–8 and 11 will take the Smarter Balanced English Language Arts (ELA)/Literacy and Mathematics Assessments and all students in Biology will take the Biology End of Course Exam. Your child may take the assessments on different days during the school year. Spring testing dates could start from March to May 26, 2023.

The purpose of the assessments is to provide you and your child's teacher(s) with information about the extent to which your child has met identified content standards in ELA/literacy, mathematics, and science, depending on your child's current grade level. A *Parent Information Booklet* with information about the Smarter Balanced and Hawai'i State Science (NGSS) Assessments and what you can do to help your child prepare has been posted online at <https://smarterbalanced.alohasap.org/resources/>. Before the assessments, please visit the [alohasap.org](http://alohasap.org) portal.

The *Elementary and Secondary Education Act*, as reauthorized by the *Every Student Succeeds Act of 2015 (ESSA)*, requires states to establish challenging standards, develop aligned assessments, and build accountability systems based upon educational results. All students are included in a state's system of standards, assessments, and accountability.

The Department of Education strongly encourages all parents to have their children participate in the Smarter Balanced ELA/Literacy and Mathematics Assessments and the Hawai'i State Science (NGSS) Assessments so that we can better identify their academic strengths and needs.

If you have any questions, please contact Principal Dean Cevallos at 313-3322 if you have any questions or concerns about testing.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dean Cevallos".

## SENIORS

We still need 52 more seniors to do their FAFSA by 3/15 in order for your class to get \$800! See Mrs. Yamamoto or HETS if you need help.

If you are planning to attend Hawaii Community College in the Fall, you must attend a Mandatory New Student Orientation. Here is the RSVP form to fill out and return to Mrs. Yamamoto. If you miss this one, you will need to schedule one on your own. You will also need to do the following health clearance as well.

Step One: Register

Ensure you have been admitted and have a [HAWAII.EDU Username](https://www.hawaii.edu/username/) before completing this process. Click here <https://www.hawaii.edu/username/> if you need assistance with finding or creating your username.

Then go to [Med+Proctor](#) to register for an account.

Step Two: Download

Download the [UH Health Clearance Form](#) and have a licensed medical provider complete the form. (A licensed provider can sign the form; it does not have to be the provider who originally vaccinated you.)

Step Three: Upload

Once your form has been completed and signed by a healthcare provider, log back into your account and upload it to Med+Proctor. You will receive an email confirmation once the forms have been reviewed.

Questions and Support

If you have difficulty using MedProctor, you may contact MedProctor between 8 a.m. and 5 p.m. Central Time, Monday through Friday. During these hours, you can chat with their support agents directly from their [support site](#) or while you are completing your student workflow. You may also email [help@medproctor.com](mailto:help@medproctor.com) with questions, and their support agents to take care of you

\*\*Note: YOU DO NOT NEED TO PAY FOR MED+PROCTOR SERVICES. However, students may opt-in to a Med+Proctor membership for a one-time fee of \$10. Membership provides lifetime access to your TB and immunization data. If you do not wish to take advantage of the membership, when asked to submit your records, choose the gray button at the bottom, which says "No, thank you. I do not want access to my documents."

Med+Proctor is HIPAA and FERPA compliant. Review their privacy policy. For assistance with Med+Proctor, please visit [support.medproctor.com](https://support.medproctor.com) to live chat or email at [help@medproctor.com](mailto:help@medproctor.com) and they will speak directly with you. ## Kea'au High Agriculture & FFA Donate Food for the Hungry

Kea'au High School Agriculture & FFA students grew and donated over 100 pounds of produce recently to the Hawaii Island Food Basket. Plans are in place to continue this partnership as students become more proficient in growing a variety of crops that they use in their own homes and at times sell on our roadside vegetable & fruit stand. Vegetable items donated today included 2 varieties of Bok Choy and Green Onions with plans for donations of Daikon Radish and Kale in the coming weeks. Students in the Foundations of Agriculture, Foods & Natural Resources that grew the crops stated that they felt good that they could grow an abundance of food to share with their families, neighbors and community.
