Kea`au High School Parent Newsletter

Volume 21 Issue 12

Aloha Students, Parents/Guardians and Community.

We are soon to be in our fall month of October. This is a short month as we do have Fall Break during the second week. We also start the 3rd Quarter of Semester 1 classes. This means we are more than halfway through all 4 classes. This is new to us all as we only have four classes the students concentrate on each Semester. The students are seen everyday by all 4 of their teachers. In January, after Winter Break the students will have 4 new classes they will work on that then end in May. Please make sure your child(ren) know they only have until December to make up any work for this semester to pass their classes.

As you all know we have started our sports programs. We will keep you all informed of the games and practices through our website and our SchoolInfo App. We hope you have downloaded the app as it will keep you up to date on all that is happening at Kea`au High School.

I wish to thank you all for making sure your child(ren) stay home if they are feeling ill and that they are all coming to school with the required masks. It helps keep our campus safe and open. Mahalo for the great efforts you have all put forth.

Our days are getting shorter and the nights are getting darker earlier. This means it is time to look at the Great Pumpkin and having some fun with Halloween celebrations.

Please be safe and enjoy this wonderful month.

Aloha Principal Cevallos
